**Education**

---

- 1999 PhD Emory University, Atlanta, GA**  
Department of Nutrition and Health Sciences  
Specialization: Behavioral Sciences and Health Education (Community and Preventive Health)
- 1990 BA State University of New York at Albany, Albany, NY**  
Major in Psychology, Minor in Biology  
*Graduated magna cum laude*

**Professional Experience**

---

**Executive Director, Gretchen Swanson Center for Nutrition (GSCN)**  
Omaha, NE | March 2009 – Present

- Oversee all the research, program evaluation, and community outreach for an independent, 501(c)(3) tax-exempt non-profit nutrition research center
  - Direct behavioral/public health research in the areas of childhood obesity prevention, food insecurity, local food systems, as well as measurement development and program evaluation at the individual, environment, and policy levels
  - Submit grants and contracts to both federal and local agencies, as well as private foundations
  - Hire, mentor, and supervise staff
  - Report and interact with the GSCN Board of Directors and various Board related committees
  - Co-Lead the development of Center marketing and fundraising materials
  - Mentor Master of Public Health (MPH) and doctoral students from the College of Public Health, University of Nebraska Medical Center
  - Chair and serve on national expert panels and subcommittees
  - Present Center research at national, international, and local meetings and conferences

**Behavioral Scientist/Program Director/Project Officer, National Cancer Institute**  
Bethesda, MD | August 2002 – March 2009

- Oversaw multi-million-dollar grant portfolios in the areas of nutrition, physical activity, obesity prevention, and skin cancer prevention
  - Managed grants and interacted regularly with the extramural scientific community
  - Provided scientific oversight and tracked progress on grants
  - Developed and co-developed Program Announcements and Requests for Applications
- Organized and chaired conferences and workshops
- Led in-house research projects, such as serving as scientific lead on the development and implementation of the national Food Attitudes and Behaviors (FAB) Survey
- Collaborated on development and implementation of youth obesity policy
- Mentored pre-doctoral and post-doctoral graduate students
- Served on various committees, both federal and non-federal
- Liaison to the Robert Wood Johnson Foundation on childhood obesity prevention activities

## Professional Experience (Continued)

---

**Behavioral Scientist/Program Director/Project Officer**, National Cancer Institute (Continued)  
Bethesda, MD | August 2002 – March 2009

- Survey development and analyses in the areas of diet, physical activity, and skin cancer prevention (FAB, HINTS, NHIS, CHIS, HealthStyles, YouthStyles)
- Collaborated on numerous activities with colleagues from various federal agencies, including the CDC, USDA, other institutes or officers within NIH

**Assistant Scientist**, AMC Cancer Research Center  
Denver, CO | April 1999 – July 2002

- Developed grant proposals
  - Nutrition and physical activity interventions, primarily with families and youth
  - Dietary assessment among minority and youth
  - Skin cancer prevention in children
- Served as Principal Investigator on an NCI R21 grant on dietary assessment among minority youth
- Designed and directed measurement issues related to Sunny Days, including survey development and evaluation
- Developed protocols and trained staff on data collections procedures
- Hired, trained, and supervised staff
- Developed focus group protocols and led groups
- Oversaw budget on existing grants and prepared budgets for submission of new proposals

**Project Director**, *Go Girls!*, Rollins School of Public Health, Emory University  
Atlanta, GA | July 1996 – March 1999

- Developed, modified, and implemented dietary and physical activity assessment measures for minorities and adolescents
- Hired, supervised, and trained staff in data collection, curriculum, administration, and recruitment
- Developed and implemented components of the Go Girls! curriculum
- Led recruitment of program participants
- Designed and led dietary assessment sub-study

**Project Coordinator**, *Gimme 5 for Better Health*, Rollins School of Public Health, Emory University  
Atlanta, GA | September 1995 – May 1996

- Evaluated teachers' adherence to implementing the Gimme 5 curriculum (a school-based nutrition intervention)
  - Supervised and trained staff in conducting interviews and observations of teachers
  - Conducted interviews and observations of teachers
  - Entered and analyzed results and co-authored a manuscript

**Teaching Assistant**, *Nutritional Epidemiology/Assessment*, Rollins School of Public Health, Emory University  
Atlanta, GA | January 1995 – May 1995

- Taught PhD and MPH graduate students anthropometric, biochemical, clinical, and dietary assessment of nutritional status

**Laboratory Technician II**, Cornell University Medical College  
New York, NY | June 1990 – May 1993

- Performed numerous DNA methods
  - Plasmid preparation and DNA sequencing
  - Cultured and transfection of mammalian cells
- Supervised and managed laboratory
- Co-authored manuscripts and aided in the development of grant proposals

## Academic Appointments

---

|                |  |
|----------------|--|
| 2012 - Present | <b>Special Dean Appointment, Adjunct Professor</b> , Department of Health Promotion, Social, and Behavioral Health, College of Public Health, University of Nebraska Medical Center, Omaha, NE |
| 2011 - Present | <b>Faculty Affiliate</b> , Center for Reducing Health Disparities, College of Public Health, University of Nebraska Medical Center, Omaha, NE  |
| 2009 - Present | <b>Adjunct Professor</b> , Department of Nutrition and Health Services, University of Nebraska, Lincoln, NE  |
| 2009 - Present | <b>Member</b> , Interdepartmental Nutrition Program, University of Nebraska, Lincoln, NE   |
| 2009 - Present | <b>Associate Member</b> , Cancer Prevention and Control Program, The Fred & Pamela Buffet Cancer Center, UNMC, Omaha, NE   |
| 2009 - 2012    | <b>Adjunct Professor</b> , Department of Health Promotion, Social, and Behavioral Health, College of Public Health, University of Nebraska Medical Center, Omaha, NE                           |
| 2001 - 2002    | <b>Adjoint Assistant Professor</b> , Department of Preventive Medicine and Biometrics, University of Colorado Health Sciences Center, Denver, CO   |

## Grants and Contracts – Current

---

|                              |   |
|------------------------------|---|
| January 2023 - August 2023   | <b>Local Foods Landscape Analysis – Builders Initiative</b> <ul style="list-style-type: none"><li>Investigate the landscape of local food systems in the Midwest, including health, nutrition, and environmental impacts.</li><li>Role: Co-Investigator</li></ul>   |
| August 2022 - September 2025 | <b>GusNIP ARPA Project Enhancement</b> <ul style="list-style-type: none"><li>Support additional produce prescription (PPR) project grantees as the leader of the GusNIP NTAE.</li><li>Role: Principal Investigator</li></ul>  |
| October 2022 - October 2025  | <b>Food As Medicine 3.0 Evaluation – Feeding America</b> <ul style="list-style-type: none"><li>To evaluate Feeding America’s Food as Medicine 3.0’s impacts on nutrition and health outcomes, and assess implementation successes and challenges.</li><li>Role: Co-Investigator</li></ul>   |
| June 2022 - September 2026   | <b>NCCOR Evaluation – The National Institutes of Health, FHI 360</b> <ul style="list-style-type: none"><li>Conduct annual NCCOR evaluation activities to support CDC, RWJF, NIH, and USDA in their collective efforts around childhood obesity prevention.</li><li>Role: Principal Investigator</li></ul>   |
| June 2022 - April 2023       | <b>A Landscape Analysis to Inform Future Work related to Food as Medicine for Pregnant Women – Share Our Strength</b> <ul style="list-style-type: none"><li>Investigate current Food as Medicine strategies impacting pregnant women as well as future directions.</li><li>Role: Co-Investigator</li></ul>  |
| May 2022 - August 2023       | <b>Evaluation and Learning Partner for the New Jersey Food Insecurity Initiative Planning Phase – Robert Wood Johnson Foundation (RWJF)</b> <ul style="list-style-type: none"><li>Serve as the evaluation and learning partner for the initiative’s planning phase to co-design a developmental evaluation to inform phase 2.</li><li>Role: Co-Principal Investigator</li></ul> |

## Grants and Contracts – Current (Continued)

---

|                                    |   |
|------------------------------------|---|
| January 2022 -<br>March 2023       | <b>Dissemination and Application of Newly Developed Measures that Promote a More Holistic Assessment of the Food Insecurity Experience</b> <ul style="list-style-type: none"><li>• After developing new measures to provide a more holistic assessment of a household's food insecurity experience, take and promote these new measures, implement and assess feasibility and best practices for using these measurements in real world applications.</li><li>• Role: Co-Investigator</li></ul>   |
| November 2021 -<br>April 2025      | <b>24 Hour Dietary Data from Adolescents – Modifiable Predictors of Neural Vulnerabilities for Obesity – University of Nebraska Lincoln</b> <ul style="list-style-type: none"><li>• Provide expertise in and guidance on the analysis and interpretation of 24-hour dietary data from adolescents.</li><li>• Role: Co-Investigator</li></ul>  |
| August 2021 - July<br>2025         | <b>The ADELANTE Trial: Testing a multi-level approach for improving household food insecurity and glycemic control among Latinos with diabetes – Stanford University NIMHD R01</b> <ul style="list-style-type: none"><li>• Provide specific guidance on the dietary assessment and analysis.</li><li>• Role: Consultant</li></ul>   |
| September 2020 -<br>September 2023 | <b>FNS: WIC Online Ordering – United States Department of Agriculture (USDA), Food and Nutrition Service (FNS)</b> <ul style="list-style-type: none"><li>• Develop and test a safe and secure plan for implementing online grocery ordering for participants of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC).</li><li>• Role: Co-Investigator</li></ul>  |
| October 2019 -<br>September 2022   | <b>WIC Special Project Innovation – Council of State Governments (CSG)</b> <ul style="list-style-type: none"><li>• Assist CSG in developing measurement procedures to capture impacts of WIC projects, including wait times, participant satisfaction, and other variables.</li><li>• Role: Co-Investigator</li></ul>   |
| September 2019 -<br>August 2023    | <b>Comprehensive and Integrated Center for Nutrition Incentive Program Training, Technical Assistance, Evaluation and Reporting – National Institute of Food and Agriculture (NIFA), United States Department of Agriculture (USDA)</b> <ul style="list-style-type: none"><li>• Serve as the leader of the Gus Schumacher Nutrition Incentive Program (GusNIP) Nutrition Incentive Program Training, Technical Assistance, Evaluation, and Information (NTAE) Center to develop systems, infrastructure, and collaborative relationships to support GusNIP grantees and to maximize effectiveness and efficiency of GusNIP projects.</li><li>• Role: Principal Investigator</li></ul> |
| May 2019 -<br>November 2022        | <b>An Evaluation of the Training and Technical Assistance Model for Voices for Healthy Kids – American Heart Association</b> <ul style="list-style-type: none"><li>• Build an evaluation framework for assessing the Voices training and technical assistance model, monitor capacity building, and report findings.</li><li>• Role: Co-Investigator</li></ul>  |
| January 2019 -<br>December 2024    | <b>Rooted in Evidence Grant Program: Measuring the Impact of Innovative Food Bank Programs Across the Nation – Gretchen Swanson Center for Nutrition Foundation</b> <ul style="list-style-type: none"><li>• Develop and administer funding announcement for \$20,000-25,000 grants to food banks across the country to implement innovative nutrition projects, provide evaluation, and technical assistance.</li><li>• Role: Co-Investigator</li></ul>   |

## Grants and Contracts – Past

---

|                               |   |
|-------------------------------|---|
| July 2018 - April 2023        | <b>Adolescent Dietary Behavior Measures – Executive Control and Adolescent Weight Trajectories – University of Nebraska Lincoln</b> <ul style="list-style-type: none"><li>• Provide expertise on adolescent dietary behavior measures.</li><li>• Role: Co-Investigator</li></ul>  |
| October 2020 - September 2022 | <b>Evaluation of Alameda County’s Food as Medicine Initiative – Stanford University</b> <ul style="list-style-type: none"><li>• Provide scientific expertise and technical assistance for produce prescription and SNAP incentive programs.</li><li>• Role: Co-Principal Investigator</li></ul>   |
| March 2019 - December 2021    | <b>Evaluation of the National Collaborative on Childhood Obesity Research (NCCOR) – FHI 360 and the Robert Wood Johnson Foundation</b> <ul style="list-style-type: none"><li>• Conduct annual NCCOR evaluation activities to support CDC, RWJF, NIH, and USDA in their collective efforts around childhood obesity prevention.</li><li>• Role: Principal Investigator</li></ul>   |
| December 2019 - December 2021 | <b>Develop and Test a Brief Supplemental Food Security Module that Aims to Add Utility When Used Alongside the USDA Household Food Security Survey Module – The Walmart Foundation</b> <ul style="list-style-type: none"><li>• Identify and test survey items to create new complementary modules to be used in conjunction with the Household Food Security Survey Module (HFSSM).</li><li>• Role: Co-Principal Investigator</li></ul>                                     |
| October 2019 - July 2021      | <b>International Collaborative to Identify and Improve Food Insecurity Risk Factors in Melbourne and Omaha – Eisele Family Foundation</b> <ul style="list-style-type: none"><li>• Partner with Australia-based researchers to develop and pilot test an innovative measurement tool that can be used as a screener for risk factors and indicators of persistent or fluctuating food insecurity.</li><li>• Role: Co-Principal Investigator</li></ul>                        |
| August 2018 - May 2021        | <b>Assessment to Inform the American Cancer Society’s Future Directions in Food Insecurity – American Cancer Society</b> <ul style="list-style-type: none"><li>• Qualitative assessment with key stakeholders; literature review on intersection of food insecurity, obesity, and cancer; and landscape analysis.</li><li>• Role: Co-Principal Investigator</li></ul>   |
| November 2019 - April 2021    | <b>Examining Food Insecurity among Young Children and their Families within the Context of Early Care and Education – Healthy Eating Research</b> <ul style="list-style-type: none"><li>• Conduct a mixed methods formative evaluation to explore food insecurity in low-income center-based ECE settings at both the macro- and micro-levels.</li><li>• Role: Principal Investigator</li></ul>   |
| August 2019 - December 2020   | <b>Examining Resiliency in the US Food Bank System – Gretchen Swanson Family Foundation</b> <ul style="list-style-type: none"><li>• Assess resiliency preparedness and practice within food banks nationally, specifically during periods of economic stress or natural disaster.</li><li>• Role: Co-Investigator</li></ul>   |
| August 2019 - December 2020   | <b>The Development of a Mobile App to Measure the Adoption and Implementation of Healthy Eating and Active Living Policies and Practices in Family Child Care Homes – Buffett Early Childhood Institute</b> <ul style="list-style-type: none"><li>• Development of a mobile app to measure family childcare provider adoption and implementation of healthy eating and active living policies and practices.</li><li>• Role: Committee Chair and Doctoral Advisor</li></ul> |

## Grants and Contracts – Past (Continued)

---

|                              |  |
|------------------------------|--|
| May 2019 - March 2020        | <b>Per- and polyfluoroalkyl substances (PFAS) Community Stress and Resilience and the Impact on Diet – Guidehouse</b> <ul style="list-style-type: none"><li>• Conduct a literature review and qualitative data collection to develop strategies for strengthening resilience in communities affected by PFAS.</li><li>• Role: Co-Principal Investigator</li></ul>  |
| October 2015 - April 2020    | <b>Evaluation of Double Up Food Bucks in Michigan – Fair Food Network and USDA</b> <ul style="list-style-type: none"><li>• Conduct an evaluation of a Food Insecurity Nutrition Incentive (FINI) program in Michigan farmers markets and grocery settings.</li><li>• Role: Co-Investigator</li></ul>   |
| July 2019 - December 2019    | <b>Exploring Feasible Food Access Strategies for the Lakota Sioux on the Pine Ridge Reservation – Eisele Family Foundation</b> <ul style="list-style-type: none"><li>• Conduct an assessment to navigate the types of resources available and successful programs for potential replication.</li><li>• Role: Co-Principal Investigator</li></ul>   |
| April 2019 - August 2019     | <b>Assessment of the Praxis Network: Local Organizers and Traditional Public Health – The Praxis Project and Robert Wood Johnson Foundation</b> <ul style="list-style-type: none"><li>• Assess how Praxis supports and promotes the work of local organizers to traditional public health.</li><li>• Role: Co-Principal Investigator</li></ul>   |
| January 2019 - June 2019     | <b>Common Threads</b> <ul style="list-style-type: none"><li>• Provide evaluation expertise across several projects administered by Common Threads.</li><li>• Role: Co-Investigator</li></ul>   |
| December 2016 - June 2019    | <b>Evaluation of the Healthy Schools Program – Alliance for a Healthier Generation</b> <ul style="list-style-type: none"><li>• Provide evaluation through secondary data analysis, observational assessment, and key-informant interviews.</li><li>• Role: Co-Investigator</li></ul>   |
| August 2018 - December 2018  | <b>Feeding America</b> <ul style="list-style-type: none"><li>• Systematic literature review to help develop a compendium of measures.</li><li>• Role: Co-Investigator</li></ul>  |
| October 2016 - December 2018 | <b>Development and Evaluation of the Health Equity Collaborative – FHI360/ Robert Wood Johnson Foundation</b> <ul style="list-style-type: none"><li>• Conduct initial interviews to inform the development of a collaborative of researchers and funders for health equity-focused work.</li><li>• Role: Consultant</li></ul>  |
| January 2016 - December 2018 | <b>Ebeid Institute for Population Health – ProMedica</b> <ul style="list-style-type: none"><li>• Work collaboratively with ProMedica and the University of Toledo to conduct an impact assessment of the Ebeid Institute in Toledo, OH. The Ebeid Institute is a grocery store built in an underserved area, providing healthy foods, job training, and cooking courses.</li><li>• Role: Co-Investigator</li></ul> |
| April 2013 - December 2018   | <b>Evaluation of the School Food Initiative – LiveWell Colorado</b> <ul style="list-style-type: none"><li>• Evaluation of a culinary, operational, and leadership training program to increase scratch cooking in school districts throughout Colorado.</li><li>• Role: Co-Investigator</li></ul>  |

## Grants and Contracts – Past (Continued)

---

|                                  |  |
|----------------------------------|--|
| November 2017 -<br>November 2018 | <b>Characterizing Multi-Year, Community-Based and Large-Scale FINI Projects; Similarities, Differences and Experiences Across Retail Types – Healthy Eating Research</b> <ul style="list-style-type: none"><li>• Evaluation of policy impacts of the USDA’s Food Insecurity Nutrition Incentive (FINI) mechanism to inform the Farm Bill.</li><li>• Role: Co-Principal Investigator</li></ul>                                  |

| April 2017 -<br>March 2018       | <b>Evaluation of Sugar Sweetened Beverage (SSB) Taxes – University of Illinois – Chicago</b> <ul style="list-style-type: none"><li>• Co-lead development of survey administered through a panel in California and Illinois, to assess effects of SSB taxes.</li><li>• Role: Co-Investigator</li></ul>   |
| May 2017 -<br>October 2017       | <b>Evaluation of the Accelerating National Community Health Outcomes through Reinforcing Partnerships (ANCHOR) initiative – American Heart Association</b> <ul style="list-style-type: none"><li>• Evaluation of overall lessons learned of the ANCHOR initiative and make recommendations to inform future federal chronic disease prevention initiatives.</li><li>• Role: Co-Principal Investigator</li></ul>   |
| September 2016 -<br>August 2017  | <b>Evaluation of the Voices for Healthy Kids Initiative – Robert Wood Johnson Foundation</b> <ul style="list-style-type: none"><li>• Co-lead evaluation of overall lessons learned for the Voices for Healthy Kids initiative and make recommendations to inform future advocacy initiatives.</li><li>• Role: Co-Principal Investigator</li></ul>   |
| October 2015 -<br>January 2017   | <b>Developing Capacity for Evaluation among Grassroots Organizations – Health Care Foundation of Greater Kansas City</b> <ul style="list-style-type: none"><li>• Provide guidance to four grantees doing food access-related work in Kansas City, by assisting with the development of evaluation plans, measurement, and the provision of technical assistance.</li><li>• Role: Co-Investigator</li></ul>  |
| December 2015 -<br>December 2016 | <b>Evaluation of the ECE Program and Parent Intervention Project with Ohio Child Care Resource and Referral Association (OCCRRA) – The General Mills Foundation</b> <ul style="list-style-type: none"><li>• Evaluation of OCCRRA’s efforts to implement a pilot statewide early care and education (ECE) program intervention with a family engagement component and a parent intervention aimed at childhood obesity prevention.</li><li>• Role: Co-Investigator</li></ul> |
| October 2015 -<br>December 2016  | <b>Building the Evidence for Private Industry Engagement – FHI 360 and the Robert Wood Johnson Foundation</b> <ul style="list-style-type: none"><li>• Provide feedback on the research plan and instruments, as well as contribute to the development of evaluation findings, best practices, and recommendations.</li><li>• Role: Consultant</li></ul>   |
| September 2015 -<br>August 2016  | <b>Assessment and Development of Tools for Policy and Advocacy Readiness in Diverse Settings – Robert Wood Johnson Foundation</b> <ul style="list-style-type: none"><li>• Co-lead development and testing of an advocacy readiness tool and guide to inform RWJF and grantees, in particular the Voices for Healthy Kids initiative on the mechanics of active policy advocacy programs.</li><li>• Role: Co-Principal Investigator</li></ul>                                |
| January 2015 -<br>May 2016       | <b>FRESH Foods Study – Center for Vulnerable Populations at San Francisco General Hospital</b> <ul style="list-style-type: none"><li>• Co-develop a survey and protocol, cognitively test the survey with a sample of food banks across the country and modify the survey to be used in the FRESH Foods Study.</li><li>• Role: Co-Principal Investigator</li></ul>  |

## Grants and Contracts – Past (Continued)

---

- June 2015 - February 2016      **Convergence Partnership: Understanding the Impact of Investment – Robert Wood Johnson Foundation**
- Co-lead assessment of the effectiveness of the Convergence Partnership by describing the characteristics of the work conducted by local convergence partners, as well as the potential facilitators and barriers to success.
  - Role: Co-Principal Investigator
- October 2014 - January 2016      **Family Child Care Evaluation – General Mills Foundation**
- Evaluation of Child Care Aware of Kansas' implementation of a Family Child Care (FCC) learning collaborative.
  - Role: Co-Principal Investigator
- September 2014 - January 2016      **Second Harvest Evaluation – General Mills Foundation**
- Evaluation of Second Harvest's Food Bank of Central Florida planning and implementation of a food service provision model.
  - Role: Co-Principal Investigator
- December 2014 - December 2015      **FLASHE – Westat, Inc.**
- Provide scientific support on tasks relevant to the FLASHE diet data files including the preparation and construction of diet data files, providing written description of the scoring procedures, data analysis, and general information for the creation of supporting documentation of the FLASHE dietary screener.
  - Role: Co-Principal Investigator
- March 2014 - December 2015      **Breastfeeding Study – Sackler Institute for Nutrition Science**
- Study to examine the effects of a multi-state intervention to promote breastfeeding among mothers with children in childcare.
  - Role: Co-Investigator
- January 2015 - September 2015      **1422 Grant – Nebraska Department of Health and Human Services**
- Conduct a nutrition standard assessment of hospitals and/or public institutions in partnership with six participating local public health departments.
  - Role: Co-Investigator
- August 2014 - August 2015      **Evaluation of Technical Assistance for the Voices for Healthy Kids Initiative – Robert Wood Johnson Foundation**
- Co-lead evaluation of technical assistance for Voices for Healthy Kids, specifically in the process, tracking, and implementation of TA provided to grantees.
  - Role: Co-Principal Investigator
- August 2014 - May 2015      **Evaluation on Legal Technical Assistance for the Robert Wood Johnson Foundation**
- Co-lead the evaluation of legal technical assistance for RWJF efforts, to expand beyond the scope of the Voices for Healthy Kids to answer the how/what/why of legal technical assistance being administered.
  - Role: Co-Principal Investigator
- April 2014 - March 2015      **Development of Omaha Nutrition Education Collaborative (ONEC) Phase II – Children's Hospital & Medical Center**
- Facilitation of a working group to develop physical activity education videos that train early care providers and parents to teach children about physical activity.
  - Role: Mentor

## Grants and Contracts – Past (Continued)

---

- October 2013 - February 2015      **Evaluation of the Omaha Plan – ConAgra Foods Foundation**
- Evaluation of a multi-stakeholder local initiative to end hunger in Omaha, NE, a product of the national *Child Hunger Ends Here* initiative.
  - Role: Co-Principal Investigator
- September 2014 - December 2014      **Evaluation of Micro-Innovation Grants – General Mills Foundation**
- Evaluation of micro-innovation grants provided to early care and education centers to purchase extra materials/equipment, related to ECELC Initiative.
  - Role: Co-Principal Investigator
- April 2012 - September 2014      **Community Transformation Grant – Douglas County Health Department and the Centers for Disease Control and Prevention**
- A community initiative to design and implement farm to institution efforts in Omaha, NE.
  - Role: Co-Investigator and Site Principal Investigator
- January 2013 - May 2014      **Review of In-Store Marketing Programs – Robert Wood Johnson Foundation**
- Review and document RWJF-funded programs in the area of in-store marketing and compile best practice in the area of healthy food retail.
  - Role: Co-Principal Investigator
- January 2012 - July 2014      **Healthy Corner Store Measurement – Healthy Eating Research Program and the Robert Wood Johnson Foundation**
- A multi-component program to assess the small store food environment in both rural and urban Nebraska settings, through local storeowner and national stakeholder interviews, as well as the development of a measurement toolkit.
  - Role: Mentor
- July 2011 - May 2014      **Fresco Restaurant Project – Gretchen Swanson Center for Nutrition Foundation**
- Pilot study to explore and implement healthy children’s menu items in a restaurant in a low-income area of Omaha, NE.
  - Role: Co-Investigator
- April 2013 - March 2014      **Development of Omaha Nutrition Education Collaborative (ONEC) – Children’s Hospital & Medical Center**
- Facilitation of a working group to develop nutrition education videos that train early care providers and parents to teach children about nutrition.
  - Role: Mentor
- May 2013 - January 2014      **Compilation and Review of School Wellness Policies – Robert Wood Johnson Foundation**
- Review and summarize school wellness policy surveillance systems.
  - Role: Principal Investigator
- April 2013 - January 2014      **Evaluation of Let’s Move Salad Bars to Schools (LMSB2S) National Initiative – Food Family Farming Foundation**
- Mixed methods evaluation of the LMSB2S initiative to determine the use and impact of the equipment on the district’s school lunch program.
  - Role: Co-Principal Investigator
- October 2012 - January 2014      **Evaluation of Factors Associated with the Supplemental Nutrition Assistance Program (SNAP) – ConAgra Foods Foundation**
- A mixed methods study to explore the factors related to participation in SNAP.
  - Role: Co-Investigator
- October 2013 - December 2013      **Strategic Visioning – New York Academy of Medicine (NYAM)**
- Provide scientific strategic visioning for the School Health Program at NYAM.
  - Role: Consultant

## Grants and Contracts – Past (Continued)

---

- February 2013 -  
October 2013     **Evaluation of the Robert Wood Johnson Foundation’s Bridging the Gap (BTG) Program – University of Illinois Chicago**
- Conduct a program evaluation to determine how the childhood obesity research community views and uses BTG research and products.
  - Role: Co-Principal Investigator
- March 2010 -  
October 2013     **Evaluation of the Hunger Free Heartland Initiative – ConAgra Foods Foundation**
- Evaluation efforts for the Hunger Free Heartland Initiative.
  - Role: Principal Investigator
- January 2012 -  
October 2013     **Food System Assessment Phase II – Howard G. Buffett Foundation**
- Implementation of a farm-to-institution (farm stand) program at a worksite (PayPal) located in Omaha, NE.
  - Role: Co-Principal Investigator
- January 2012 -  
July 2013         **Psychometric Evaluation – Share Our Strength’s Cooking Matters**
- Cognitive interviewing and psychometric evaluation for Cooking Matters’ Adult Survey.
  - Role: Co-Principal Investigator
- September 2011 -  
June 2013        **Needs Assessment for the Nebraska Health Interview Survey (NeHIS) – Eppley Cancer Center**
- Development of a survey to measure cancer prevention behaviors among Latino populations across Nebraska.
  - Role: Co-Investigator
- August 2009 -  
May 2013         **Survey Development (FAB and FLASHE Surveys) – National Cancer Institute**
- Continue work related to Food Attitudes and Behaviors (FAB) Survey and development of Family, Life, Activity, Sun, Health & Eating (FLASHE) Survey.
  - Role: Intergovernmental Personnel Act (IPA)
- February 2013 -  
April 2013        **Evaluation of Healthy Breakfast for Kids – Food Family Farming Foundation**
- Evaluate a breakfast in the classroom national initiative.
  - Role: Co-Principal Investigator
- January 2011 -  
December 2012   **Food System Assessment Phase I – ConAgra Foods Foundation**
- Conducted a survey and focus groups among consumers and producers in Nebraska to assess behaviors and attitudes toward the local food system.
  - Role: Co-Principal Investigator
- June 2011 -  
June 2012        **Evaluation of Youth Voice: Youth Choice – United States Department of Agriculture – National 4-H Council**
- Survey development and analysis for Youth Voice: Youth Choice programs across the country.
  - Role: Co-Investigator
- April 2010 -  
May 2012         **Communities Putting Prevention to Work (CPPW) – Douglas County Health Department and the Centers for Disease Control and Prevention**
- Developing and leading a Farm to School Sub-Study for Communities Putting Prevention to Work in Douglas County, NE.
  - Role: Co-Investigator and Site Principal Investigator
- May 2010 -  
April 2012        **Hunger in America 2014 study – Feeding America**
- A data collection effort in Nebraska and Western Iowa among clients in food pantries for the national Hunger in America 2014 study.
  - Role: Co-Principal Investigator

## Grants and Contracts – Past (Continued)

---

- January 2011 - December 2011      **Survey Development and Evaluation – Share Our Strength’s Cooking Matters**
- Develop a cognitive interview guide and protocol for Cooking Matters staff and train staff to conduct cognitive interviews to inform their continued efforts to test and refine the Eating Smart from The Start Program. In addition, pre-post evaluation and psychometric testing was conducted.
  - Role: Co-Principal Investigator
- September 2010 - February 2011      **Review on Indicators for Healthy Eating, Physical Activity, and Injury Prevention – United States Department of Agriculture - National 4-H Council**
- Led review on indicators and measures for healthy eating, physical activity, and injury prevention.
  - Role: Co-Principal Investigator
- September 2006 - November 2008      **Food Attitudes and Behaviors (FAB) Survey – National Cancer Institute and contract awarded to Westat**
- Contributed to the development of the FAB Survey.
  - Role: Lead Investigator
- September 2005 - August 2006      **5-A-Day Customized Survey – National Cancer Institute and contract awarded to Porter Novelli**
- 5-A-Day Customized Survey subcontract.
  - Role: Lead Investigator
- July 2001 - July 2003      **R21 Grant on Dietary Assessment among Minority Adolescents – National Cancer Institute, National Institutes of Health**
- Dietary Assessment in Minority Adolescents.
  - Role: Principal Investigator
- July 2001 - June 2003      **Consultant to the Centers for Disease Control and Prevention**
- Co-authored manuscripts and consulted on various issues surrounding behavioral nutrition and physical activity interventions and other 5-A-Day topics. Partnered in developing a workshop on Fruit and Vegetable Environment, Policy, and Pricing held in Atlanta, GA, in September 2002.
  - Role: IPA
- July 2001 - June 2003      **Dietary Assessment – Centers for Disease Control and Prevention**
- Completed a comprehensive search and technical review of the scientific literature on dietary pattern and behavioral assessment. Comprehensive listing of pertinent literature, technical summary, and evaluation of assessment methods, recommendations of instruments to be used by the CDC.
- 2000 - 2002      **Freelance Writing – Reuters Health, Doctor’s Guide, and CBS Healthwatch**
- Wrote articles on various health-related issues for lay public and doctors, including conference coverage.
- 2000      **Dietary Assessment – Emory University**
- Trained staff on the development, modification, administration, data entry, and analysis of picture-sort food frequency questionnaire.

## Selected Presentations

---

1. **Financial Incentives to Promote Nutrition Security: Examples from the United States and Application to Israel.** Taub Center Annual Conference – Inequality in Health: Defining Challenges, Developing Solutions. Jerusalem, Israel, November 2022.
2. **Nutrition Security and Financial Incentives: Can these interventions be applied in Israel?** Mini Symposium on Science and Measurement in Food Security Policy. Israel, November 2022.
3. **Policy and environmental approaches to improve health among low-income populations in the United States: Making the Case for Financial Incentives.** The Batsheva de Rothschild Food Security Workshop. Israel, November 2022.
4. **Universidad Panamericana Management Practices Analysis Presentation (Speaker).** Virtual Meeting. June 2022.
5. **The Power Of Habit: Something to Nosh On (Speaker).** PBH Consumer Connection Conference. Scottsdale, AZ. April 2022.
6. **Addressing social determinants of health in behavioral interventions to improve health equity (Discussant).** Society of Behavioral Medicine 43<sup>rd</sup> Annual Meeting. Baltimore, MD. April 2022.
7. **Leveraging Reporting and Evaluation to Elevate Impact: Welcome Remarks from the GusNIP NTAE, USDA NIFA and Keynote from Dr. Sara Bleich.** Nutrition Incentive Hub 2022 National Convening. January 2022.
8. **Nutrition Incentives: Lessons and Opportunities to Improve Healthy Food Access.** Grantmakers In Health (GIH) Webinar. October 2021.
9. **Healthy Eating Research (HER) Early Investigator Session.** HER Grant Review Process. October 2021.
10. **Overview and Early Results from the Gus Schumacher Nutrition Incentive Program (GusNIP): Nutrition Incentive and Produce Prescription Programs.** National Institute of Health's Virtual Workshop: Food Insecurity, Neighborhood Food Environment, and Nutrition Health Disparities: State of the Science. September 2021.
11. **Summer Student Series Session on Food & Nutrition Security (Speaker)** Healthy Eating Research (HER) Nutrition and Obesity Policy Research Network (NOPREN). July 2021.
12. **From Implementation to Impact: How Do We Connect the Dots Across Nutrition Incentive Programs? (Moderator)** American Public Health Association Annual Meeting. Virtual Meeting. October 2020.

## Selected Presentations (Continued)

---

13. **Authentically Engaging Communities to Promote Sustainable Health Equity Initiatives.** 10<sup>th</sup> Biennial Childhood Obesity Conference. Anaheim, CA. July 2019.
14. **National Partnerships and Perspectives Discussion.** Nebraska Healthy Kids Summit. Lincoln, NE. April 2019.
15. **Being Proactive in a Tough Funding Climate. (Funder Roundtable Session).** Healthy Eating Research 14<sup>th</sup> Annual Grantee Meeting. Detroit, MI. March 2019.
16. **“Meet the Fellows” (Small Roundtable).** Society of Behavioral Medicine 40<sup>th</sup> Annual Meeting. Washington, DC. March 2019.
17. **SBM Student Speed Networking Session.** Society of Behavioral Medicine 40<sup>th</sup> Annual Meeting. Washington, DC. March 2019.
18. **How to get funding in a tough funding climate. (Funder Roundtable Session).** Healthy Eating Research 13<sup>th</sup> Annual Meeting. Detroit, MI. March 2019.
19. **Landscape of Nutrition Education.** Greater Chicago Food Depository. Chicago, IL. November 2018.
20. **Evidence Empowers: Utilizing evaluation to show the impact and opportunity in public health.** American Public Health Association Annual Meeting. San Diego, CA. November 2018.
21. **Building Blocks for Early Care and Education Settings: The Utility of Developing Techniques to Assess Diet and Meals, Both Behaviorally and Environmentally. (Symposium Convenor).** ISBNPA 2018 Annual Meeting. Hong Kong, China. June 2018.
22. **Evidence Empowers, National Program Evaluation Work Being Conducted at The Gretchen Swanson Center for Nutrition.** University of Kentucky’s Eighth Annual Barnstable Brown Diabetes and Obesity Research Day. May 2018.
23. **Being Proactive in a Tough Funding Climate.** Healthy Eating Research 12<sup>th</sup> Annual Grantee Meeting. Nashville, TN. April 2018.
24. **Technologies and Dietary Assessment.** Nutrition and Obesity Policy Research Network (NOPREN) Collaborators Workshop at the Healthy Eating Research 12<sup>th</sup> Annual Meeting. Nashville, TN. April 2018.
25. **Multilevel Theories, Methods, and Interventions: Needs, Opportunities and Future Directions. (NCI Roundtable).** Society of Behavioral Medicine 39<sup>th</sup> Annual Meeting. New Orleans, LA. April 2018.
26. **Engaging Low-Income Shoppers with an Applicable App.** Academy of Nutrition and Dietetics’ Food & Nutrition Conference & Expo (FNCE). Chicago, IL. October 2017.
27. **Innovation in Funding: Securing Research Funding from Non-Federal Sources.** University of Minnesota Obesity Prevention Center’s Scientific Seminar Series. Minneapolis, MN. October 2017.
28. **Advocacy Readiness, Technical Assistance, and Health Equity in a Grassroots Advocacy Initiative Targeting State and Local Policies to Prevent Childhood Obesity in the United States (Convenor and Chair).** ISBNPA 2017 Annual Meeting. Victoria, Canada. June 2017.
29. **Fruits and Veggies: More Still Matters: The Role of Law and Policies in Achieving our Healthy People 2020 Objectives.** 9<sup>th</sup> Biennial Childhood Obesity Conference. San Diego, CA. May 2017.
30. **Decrease Obesity by Enrolling Patients in SNAP and WIC.** 9<sup>th</sup> Biennial Childhood Obesity Conference. San Diego, CA. May 2017.
31. **Policies Affecting Our Food Environment.** University of Pennsylvania Prevention Research Center Symposium, “Accelerating Policies and Research on Food Access, Diet and Obesity Prevention.” Philadelphia, PA. April 2017.
32. **Being Proactive in a Tough Funding Climate.** Healthy Eating Research’s 11<sup>th</sup> Annual Grantee Meeting. St. Paul, Minnesota. April 2017.
33. **Everything You Wanted to Know About Dietary Assessment Methods but Forgot (or were Afraid) to Ask.** Nutrition and Obesity Policy Research Network (NOPREN) Monthly Conference Call (Webinar). September 2016.

## Selected Presentations (Continued)

---

34. **Dietary Behavior: Progress to Date and Future Directions for Dietary Assessment.** Measuring Behavior 2016. Dublin, Ireland. May 2016.
35. **Non-Traditional Careers in Behavioral Medicine (Panel).** Student Special Interest Group. Society of Behavioral Medicine (SBM) Annual Meeting. Washington, DC. March 2016.
36. **Leadership Trajectory (Panel).** Society of Behavioral Medicine (SBM) Leadership Institute. Washington, DC. March 2016.
37. **Innovative Nutrition Guidance Proposed for Healthy People 2020: Evidence-Based Laws and Policies (Discussant).** American Public Health Association Annual Meeting. Denver, CO. October 2016.
38. **Strategies to Address Food Insecurity, Poverty, and Obesity (Moderator).** American Public Health Association Annual Meeting. Denver, CO. October 2016.
39. **The Continuing Conundrum in Assessing Dietary Behaviors and Potential Solutions.** American Evaluation Association Annual Meeting, Evaluation 2015: Exemplary Evaluations in a Multicultural World. Chicago, IL. November 2015.
40. **Improving Child Care Environments, Policy & Practice as a Childhood Obesity Prevention Strategy.** American Public Health Association Annual Meeting. Chicago, IL. November 2015.
41. **Addressing Obesity and Food Insecurity in Tandem using a Food Systems Approach (Roundtable Host).** 8th Biennial Childhood Obesity Conference, COLLECTIVE IMPACT: Developing a Shared Vision to Achieve Greater Success. San Diego, CA. July 2015.
42. **Utility of Short Dietary Screeners to Assess Patterns as “Proxy” for Dietary Behaviors (A Tale of Two Dietary Methodology Perspectives Debate).** ISBNPA 2015 Annual Meeting. Edinburgh, Scotland. June 2015.
43. **Dietary Assessment Dilemmas: Selecting the “Right” Measure.** Invited Seminar at Virginia Tech. Blacksburg, VA. March 2015.
44. **Being Proactive in a Tough Funding Climate.** Healthy Eating Research Annual Meeting. Baltimore, MD. February 2015.
45. **Nemours Childhood Obesity Prevention Evaluation Results.** Nemours Obesity Prevention Funders and Evaluators Meeting. Oakland, CA. January 2015.
46. **Access to Healthy Affordable Foods (Roundtable Discussant).** Leadership for Healthy Communities. Washington, DC. October 2014.
47. **Achieving and Measuring Food System Change in Michigan (Breakout Session).** Michigan Good Food Summit. East Lansing, MI. October 2014.
48. **The Zen of Grant Writing: Learning the Tricks of the Trade in NIH Grant and Foundation Funding.** University of Texas College of Public Health. Austin, TX. September 2014.
49. **Food and Nutrition at Multiple Levels: Research and Evaluation Efforts at the Gretchen Swanson Center for Nutrition.** University of Texas College of Public Health. Austin, TX. September 2014.
50. **National Collaborative on Childhood Obesity Research: 2014 Investigator Survey Results.** National Collaborative on Childhood Obesity Research (NCCOR). Atlanta, GA. September 2014.
51. **Enacting Change and Sustaining Efforts in Farm to School Across Various Setting.** National Farm to Cafeteria Conference. Austin, TX. April 2014.
52. **Funding Opportunities and Strategies for Diet, Physical Activity, and Obesity Prevention.** Society of Behavioral Medicine Annual Meeting. Philadelphia, PA. March 2014.
53. **Nourishing Beyond Calories: Food Bank as Public Health Institutions.** Closing the Hunger Gap: Cultivating Food Security Inaugural Conference. Tucson, AZ. September 2013.
54. **The Coexistence of Obesity and Food Insecurity: Should this be a Continuing Debate?** National Cancer Institute’s Behavioral Research Program Speaker Series. Washington, DC. September 2013.

## Selected Presentations (Continued)

---

55. **Extreme Makeover: Cooking Matters for Adults Survey Edition.** Share Our Strength's Cooking Matters 2013 Conference of Leaders. Washington, DC. June 2013.
56. **Assessing the Food System Environment across Multiple Settings (Symposium Chair).** International Society for Behavioral Nutrition and Physical Activity Annual Meeting. Ghent, Belgium. May 2013.
57. **Theoretical Application in Behavioral Nutrition and Physical Activity Research – Where Do We Go From Here? (Symposium Chair).** International Society for Behavioral Nutrition and Physical Activity Annual Meeting. Ghent, Belgium. May 2013.
58. **Writing NIH Grants (Or How I Spent My Summer Vacation).** Mayo Clinic's Department of Health Sciences Research Ground Rounds Seminar Series. April 2013.
59. **Being Proactive in a Tough Funding Climate.** Robert Wood Johnson Foundation's Healthy Eating Research 7<sup>th</sup> Annual Grantee Meeting. New Orleans, LA. March 2013.
60. **Hunger and Obesity: A Continuing Conundrum.** Yale Rudd Center Seminar Series. New Haven, CT. February 2013.
61. **Now We're Cooking with Childcare Providers! Evaluation of a Survey Tool for Cooking-based, Nutrition Training in Childcare Settings.** American Public Health Association Annual Meeting. San Francisco, CA. October 2012.
62. **Farm to School across Three Different Educational Entities: Unique Assets and Challenges (Workshop).** National Farm to Cafeteria Conference. Burlington, VT. August 2012.
63. **Food Insecurity Paradigm – Obesity and Hunger.** Save the Children's Speakers Series. Washington, DC. July 2012.
64. **Updates on Farm to School across the United States: Progress Made and Room to Grow (Panel).** Global Gateways and Local Connections. New York, NY. June 2012.
65. **Measurement and Evaluation of Food Systems as an Avenue for Health Promotion (Panel).** International Conference on Diet and Activity Methods (ICDAM). Rome, Italy. May 2012.
66. **Which is More Important in Changing Health Behaviors – Targeting the Individual or Targeting the Environment? (Debate).** International Society for Behavioral Nutrition and Physical Activity Annual Meeting. Austin, TX. May 2012.
67. **The Intersection of Obesity, Hunger, and Local Food Systems.** International Society for Behavioral Nutrition and Physical Activity Annual Meeting, Food Systems as an Avenue for Health Promotion Symposium. Austin, TX. May 2012.
68. **Town Hall Meeting (Panel).** Weight of the Nation Conference. Washington, DC. May 2012.
69. **A Better Measure of our Success: Building a New Cooking Matters Adult Survey (Panel).** Cooking Matters Annual Summit: Gateway to Growth. St. Louis, MO. May 2012.
70. **Social Marketing to Promote Nutrition Assistance Programs.** Society of Behavioral Medicine Annual Meeting. New Orleans, LA. April 2012.
71. **Approaches to Evaluating Healthy Eating – Food Environment Measures.** Centers for Disease Control and Prevention's Community Transformation Grants Evaluation Institute. Atlanta, GA. April 2012.
72. **Food Insecurity, Obesity, and Food Deserts.** National Cancer Institute Grantees Meeting: Improving Effectiveness of Smoking Cessation Interventions and Programs in Low-Income Populations in Houston, Texas. Houston, TX. March 2012.
73. **Reaching Beyond Conventional Funding Sources: Creative Strategies for Finding Funding.** Robert Wood Johnson Foundation's Healthy Eating Research 6<sup>th</sup> Annual Grantee Meeting. Austin, TX. February 2012.

## Selected Presentations (Continued)

## Federal and Non-Federal Grant Reviews

---

|                |  |
|----------------|--|
| 2015 – Present | <b>Chair</b> , Healthy Eating Research Grants (HER), Robert Wood Johnson Foundation (RWJF)   |
| 2013 – Present | <b>Ad Hoc Reviewer and Chair</b> , Time Sensitive Obesity Policy & Program Evaluation, NIH   |
| 2008 – Present | <b>Primary Reviewer</b> , Healthy Eating Research Grants, RWJF   |
| 2019           | <b>Ad Hoc Reviewer</b> , Psychosocial Risk and Disease Prevention (PRDP), National Institutes of Health (NIH)  |
| 2016           | <b>Ad Hoc Reviewer</b> , FY17 FRESH Foods Study Grant, Feeding America   |
| 2011 – 2015    | <b>Standing Study Section Reviewer</b> , Psychosocial Risk and Disease Prevention (PRDP), NIH  |
| 2014           | <b>Ad Hoc Chair</b> , Population Studies, Agricultural Research Services (ARS), United States Department of Agriculture (USDA)   |
| 2014           | <b>Ad Hoc Reviewer</b> , NIH Director's Early Independence Award Application (EIA/DP5), NIH  |
| 2010 – 2013    | <b>Ad Hoc Reviewer and Chair</b> , Behavioral Research in Cancer Control Small Grants, National Cancer Institute (NCI)   |
| 2013           | <b>Invited Panel Chair</b> , NP 107 Panel 8: Population Studies of the USDA, ARS Human Nutrition Program   |
| 2012           | <b>Ad Hoc Reviewer</b> , Contracts, NCI  |
| 2012           | <b>Ad Hoc Reviewer</b> , Psychosocial and Behavioral Research Committee, American Cancer Society (ACS)   |
| 2010 – 2011    | <b>Ad Hoc Reviewer</b> , Dissemination and Implementation Research in Health (DIRH) Study Section Panel, NIH   |
| 2010 – 2011    | <b>Ad Hoc Reviewer</b> , Psychosocial Risk and Disease Prevention (PRDP), NIH  |
| 2010           | <b>Ad Hoc Reviewer</b> , AFRI Childhood Obesity Prevention Panel, USDA   |
| 2010           | <b>Chair</b> , (RFA CA 10-006) Transdisciplinary Research in Energetics and Cancer (TREC), NIH   |
| 2010           | <b>Ad Hoc Reviewer</b> , (RFA-HL-10-006) Childhood Obesity Prevention and Treatment Research   |
| 2009           | <b>Ad Hoc Reviewer</b> , Community Level Health Promotion (CLHP) Study Section, NIH  |
| 2009           | <b>Ad Hoc Reviewer</b> , (RFA-HL-08-013) Special Emphasis Panel/Translating Basic Behavior and Social Science Discoveries into Interventions to Reduce Obesity: Centers for Behavioral Intervention Development, NIH |
| 2009           | <b>Ad Hoc Reviewer</b> , (2RG/RPHB-A-58) Stage 2 Distinguished Editorial Panel (Challenge Grants), NIH   |
| 2009           | <b>Ad Hoc Reviewer</b> , Salud America! Grants, RWJF   |
| 2004 – 2008    | <b>Ad Hoc Reviewer</b> , Contracts, NCI  |
| 2000 – 2002    | <b>Ad Hoc Reviewer</b> , Small Business Innovation Research (SBIR) Grants, NIH   |
