Education

- 2015 PhD Johns Hopkins Bloomberg School of Public Health, Baltimore, MD**
Concentration: Public Health Nutrition
Thesis: *The role of social relationships in diet and diet-related health outcomes among urban, low-income African American adolescents in Baltimore City*
- 2007 MS, RDN University of Tennessee, Knoxville, TN**
ACEND accredited Dietetic Internship
MS Concentration: Public Health Nutrition
Thesis: *An evaluation of the education, qualifications, and functions of School Food Service Directors in Tennessee Public Schools*
- 2005 BS University of Dayton, Dayton, OH**
Major: Food and Nutrition, Dietetics

Professional Experience

Research Scientist, Gretchen Swanson Center for Nutrition

Omaha, NE | August 2022 – Present

- Utilize quantitative and qualitative methods to evaluate public health programs and intervention trials within areas of public health nutrition, food access, food and nutrition security, chronic disease prevention, and nutrition safety net programs
- Lead and provide oversight for all scientific aspects of research and evaluation projects, including study design, defining priority populations, identifying data needed, measurement tool development, data collection, data analysis, and deliverable development
- Oversee all scientific aspects of an internal grant mechanism for Food Banks, including working with grantees to co-create evaluations and leading cohorts of grantees through a learning collaborative to build capacity for program evaluation
- Obtain external funding through grants and contracts to federal/local agencies and foundations
- Develop, submit, and deliver conference presentations and peer-reviewed journal publications

Adjunct Faculty, Department of Nutrition, University of Tennessee, Knoxville

Knoxville, TN | August 2022 – Present

- Engage in the design, implementation, analysis and dissemination of community-based research studies on food and nutrition security, and health promotion
- Collaborate with researchers and public health nutrition practitioners working in food systems, food security, and rural health at both the University of Tennessee, Knoxville and the University of Tennessee Institute of Agriculture
- Provide mentorship to graduate students and serve on graduate student committees

Professional Experience (Continued)

Adjunct Scientist, Gretchen Swanson Center for Nutrition

Omaha, NE | Jan 2021– July 2022

- Collaborated with scientific team, federal agency staff, and key partners to conduct a foundational evaluation of barriers and facilitators to online ordering in the WIC program
- Provided evaluation development support and technical assistance to multiple grantees conducting WIC Special Project Innovation and Online Ordering projects
- Served as the lead Scientist on an internal grant program for Food Banks to evaluate innovative programming

Assistant Professor, Department of Nutrition, University of Tennessee, Knoxville

Knoxville, TN | August 2015 – July 2022

- Developed a line of independent scholarly research in the areas of food security, food access, food environments, and obesity prevention
- Designed and taught a variety of classes on nutrition, public health, and research methodologies at the undergraduate, masters, and doctoral levels
- Provided Departmental, College, and University-wide academic service, and service to the field of public health nutrition
- Provided mentorship to MS and PhD-level graduate students

Nutrition Fellow, Leadership Education in Adolescent Health (LEAH) Training Grant, Johns Hopkins School of Medicine

Baltimore, MD | August 2012 – August 2015

- Received leadership training in adolescent health from a trans-disciplinary team of faculty and trainees
- Conducted projects with other Fellows to promote adolescent health
- Worked with other trainees to advocate for adolescent health issues in Washington, DC

Research Project Coordinator, Center for Human Nutrition, Johns Hopkins Bloomberg School of Public Health

Baltimore, MD | August 2011 – September 2015

- Managed program activities and 15+ graduate students and staff members of *B'More Healthy Communities for Kids* trial, a multi-level, multi-components whole-of-community intervention program involving policymakers, food wholesalers, food retailers, restaurants, community centers, and low-income residents
- Led formative research and intervention development, recruitment, data collection and analysis; developed process and impact evaluation instruments, provided programmatic recommendations and lessons learned for grant funders, secured additional grant funding, and wrote manuscripts
- Conducted data management, data analysis, and manuscript preparation for *Maryland Healthy Stores*, a small-store based food environment intervention in rural Maryland Communities
- Participated in data collection, intervention development and delivery, and manuscript preparation for *Healthy Bodies, Healthy Souls*, a diabetes prevention program in African American Churches in Baltimore City

Instructor, Johns Hopkins Intersession Programs, Johns Hopkins University

Baltimore, MD | Winter and Summer 2013-2014

- Developed, taught, and evaluated two short-term courses on food systems and food environments for college and high school students

Professional Experience (Continued)

Adjunct Professor, Anne Arundel Community College

Arnold, MD | September 2013– January 2014

- Developed, co-taught, and evaluated a course on the etiology, impacts, and treatment of obesity

Research Dietitian, Weight Management Center, Johns Hopkins School of Medicine

Baltimore, MD | June 2011 – August 2011

- Counseled weight management patients according to study protocols, conducted dietary data management and analysis

Research Associate III, University of Tennessee, Knoxville

Knoxville, TN | September 2007 – August 2011

- Served as the laboratory manager for a NIH-funded behavioral weight management laboratory
- Supervised and trained graduate and undergraduate students on research protocols, conducted behavioral intervention groups, developed data collection protocols, and supported manuscript development

Graduate Teaching Assistant, University of Tennessee, Knoxville

Knoxville, TN | January 2006 – December 2006

- Delivered weekly discussion section content, supervised laboratory sessions, attended lectures, graded assignments, and communicated with students in a large introductory nutrition course.

Grants and Contracts – Current

September 2022- September 2027	WIC Community Innovation and Outreach (CIAO) – Food Research and Action Center (FRAC) <ul style="list-style-type: none">• Assist FRAC in designing the grant program and learning collaborative structure• Design and develop measurement procedures to capture the implementation and impacts of WIC projects, including messaging reach, participant satisfaction, and other variables.• Role: Co-Investigator
May 2022 – May 2024	From Policy to Reality: Assessment of the Successes and Challenges with the WIC Cash-Value Benefit (CVB) Changes in Increasing Child Access to Fruits and Vegetables – Healthy Eating Research <ul style="list-style-type: none">• Support the design, implementation and analysis of a mixed methods evaluation assessing the WIC CVB changes through State administrative data analysis and qualitative interviews with WIC State agencies, local agencies, and participants.• Role: Co-Investigator
January 2022- December 2022	Structural Racism and Food Access: A Scoping Review –Healthy Eating Research <ul style="list-style-type: none">• Provide support to the design, data extraction, and writing of a commissioned scoping review on structural racism and food access• Role: Co-Investigator
May 2021 – October 2022	Rooted in Evidence Food Bank Grant Program – Gretchen Swanson Family Foundation <ul style="list-style-type: none">• Select grantees through a competitive process, co-create program evaluations with funded grantees, develop and deliver learning collaborative to build capacity and provide technical assistance to grantees• Role: Principal Investigator

August 2022 – September 2022	Evaluation of the National Collaborative on Childhood Obesity Research (NCCOR) – FHI 360 <ul style="list-style-type: none"> • Conduct annual NCCOR evaluation activities to support CDC, RWJF, NIH, and USDA in their collective efforts around childhood obesity prevention • Conduct a landscape analysis of measures and metrics to evaluate the impact of social determinants of health and structural racism on childhood obesity • Role: Principal Investigator
September 2020 – September 2023	WIC Online Ordering – United States Department of Agriculture (USDA), Food and Nutrition Service (FNS) <ul style="list-style-type: none"> • Develop and test a safe and secure plan for implementing online grocery ordering for participants of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC). • Role: Co-Investigator
October 2019 – September 2022	WIC Special Project Innovation – Council of State Governments (CSG) <ul style="list-style-type: none"> • Assist CSG in developing measurement procedures to capture impacts of WIC projects, including wait times, participant satisfaction, and other variables. • Role: Co-Investigator

Grants and Contracts – Past

May 2021 – August 2022	Accelerating Food Security Supply Chain Innovation Fellowship – Academy of Nutrition and Dietetics Foundation <ul style="list-style-type: none"> • Designed and carried out case studies of six charitable feeding programs/organizations that pivoted to feed large numbers of neighbors/clients during the COVID-19 pandemic • Role: Principal Investigator
June 2021 – March 2022	Online Shopping Barriers and Facilitators with SNAP Participants – Share Our Strength <ul style="list-style-type: none"> • Supported the design and implementation of an 8-week randomized control pilot trial of an online shopping + healthy nudges intervention for low-income consumers and supervised the design and implementation of a sub-study that assessed grocery retail managers perceptions on online shopping with federal food program benefits • Role: Co-Investigator
July 2018– July 2022	Maternal and Child Health Nutrition Leadership Education and Training Program -- USDHHS Health Resources and Services Administration, Maternal and Child Health Bureau <ul style="list-style-type: none"> • Provided leadership training to public health nutrition graduate students, and training and technical assistance to Tennessee state Title V staff to promote maternal and child health • Role: Associate Director
August 2020– December 2020	WIC Online Grocery Ordering: Opportunities and Potential Issues to Consider During COVID-19 -- Healthy Eating Research Special Call for COVID-19 Related Projects Focused on the Federal Nutrition Assistance Programs <ul style="list-style-type: none"> • Analyzed data and created a research brief on barriers and facilitators to WIC online ordering with curbside pick-up during COVID-19 • Role: Principal Investigator

Grants and Contracts – Past (Continued)

November 2019- November 2020	Understanding the Intersection of Race/Ethnicity, Socioeconomic Status, and Geographic Location: A Review of Literature on Food Purchasing Trends in Limited-Service Stores and Recommendations for Future Research –Healthy Eating Research <ul style="list-style-type: none">• Provided support to the design, data extraction, and writing of a commissioned scoping review on intersectionality of various sociodemographic factors and food purchasing• Role: Co-Investigator
July 2019 – September 2020	Fresh Pantry – Rooted in Evidence Grant Program, Gretchen Swanson Family Foundation <ul style="list-style-type: none">• Designed, implemented, and analyzed the evaluation of a novel, fresh food focused, mobile food pantry delivered on-site at a Federally Qualified Health Center• Role: Co-Investigator
July 2019 – February 2020	Online Ordering with WIC: A Pilot Intervention to Assess Customer Experiences and Retailer Opinions– Share Our Strength, No Kid Hungry & the National WIC Association <ul style="list-style-type: none">• Designed and conducted a pilot feasibility study of a “click & collect” online ordering plus curbside pick-up model for WIC participants• Role: Co-Principal Investigator
January 2018 – October 2018	Evaluating the Impact of a Healthier Checkout Program on Food Sales for a Regional Convenience Retail Chain – Healthy Eating Research <ul style="list-style-type: none">• Worked academic, non-profit and corporate retail partners to design, implement and evaluate a healthier checkout program in a chain of regional convenience stores• Role: Co-Principal Investigator
March 2017- March 2018	Identifying Relationships between the Food Environment, Health, and Sociodemographic Characteristics of Rural Appalachian Counties with Differing Levels of Economic Development -- University of Tennessee Student Faculty Research Awards <ul style="list-style-type: none">• Conducted an evaluation of the food retail environment and socioeconomic development in rural, Appalachian communities in East Tennessee• Role: Faculty Co-Principal Investigator
January 2017- December 2017	Identifying Optimal Behavioral Economics Strategies to Increase WIC Redemptions by Low Income Women in Baltimore Corner Stores -- USDA Behavioral Economics and Food Choice Research Center (BECR) <ul style="list-style-type: none">• Supported the implementation of a small-store based intervention to enhance WIC food package access, utilization, and uptake through behavioral economics principles• Role: Consultant
November 2016- July 2018	Strategies to Achieve to the Proposed Enhanced Retailer Standards for Staple Food Stocking among SNAP-eligible Appalachian Retail Food Stores – Healthy Eating Research <ul style="list-style-type: none">• Conducted formative research, designed, and delivered a policy-relevant, multi-component food store-based intervention in economically distressed, rural, Appalachian communities• Role: Principal Investigator

Grants and Contracts – Past (Continued)

November 2016- July 2018	<p>Strategies to Achieve to the Proposed Enhanced Retailer Standards for Staple Food Stocking among SNAP-eligible Appalachian Retail Food Stores – Healthy Eating Research</p> <ul style="list-style-type: none"> Conducted formative research, designed, and delivered a policy-relevant, multi-component food store-based intervention in economically distressed, rural, Appalachian communities Role: Principal Investigator
July 2016 – December 2017	<p>Invest Health: Knoxville -- Robert Wood Johnson Foundation and the Reinvestment Fund, Invest Health, Strategies for Healthier Cities</p> <ul style="list-style-type: none"> Designed and implemented a community-based evaluation of food availability and purchasing in an urban community in Knoxville, TN Role: Consultant
July 2015 – June 2018	<p>Maternal and Child Health Nutrition Leadership Education and Training Program -- USDHHS Health Resources and Services Administration, Maternal and Child Health Bureau</p> <ul style="list-style-type: none"> Provided leadership training to public health nutrition graduate students, and training and technical assistance to Tennessee state Title V staff to promote maternal and child health Role: Associate Director
September 2015- March 2017	<p>Developing a Mobile Food Choice Laboratory -- USDA Behavioral Economics and food Choice Research Center (BECR) New Perspectives Fellowship Grant</p> <ul style="list-style-type: none"> Developed and conducted field research in rural communities on food choice manipulations using a mobile food choice laboratory Role: Principal Investigator
May 2015- My 2016	<p>Sustaining a Successful Youth-leader Program as Part of a Multi-level, Multi-Component Food Environment/Behavioral Intervention -- USDA Regional Nutrition Education and Obesity Prevention Centers of Excellence Grant</p> <ul style="list-style-type: none"> Conducted and analyzed qualitative interviews with individuals who had experience serving as peer-leaders in a nutrition program to obtain insights on how to sustain youth-led programs long-term Role: Consultant
Sept 2013 – Sept 2014	<p>B'More Healthy Communities for Kids (BHCK) Youth-leader Implementation – Academy of Nutrition and Dietetics Foundation</p> <ul style="list-style-type: none"> Managed and evaluated the implementation and impact of peer-led nutrition intervention in Baltimore City communities Role: Principal Investigator
April 2013 – April 2014	<p>B'More Healthy Communities for Kids (BHCK) Youth-leader Development – Academy of Nutrition and Dietetics Foundation</p> <ul style="list-style-type: none"> Developed, implemented and evaluated a youth-leader training program to prepare high school and college peer-mentors to deliver nutrition intervention programming to younger youth in Baltimore City Role: Principal Investigator
August 2012 – August 2013	<p>Food in My Neighborhood: A Photovoice Project to Explore Youths' Perceptions of the Local Food Environment – Johns Hopkins Urban Health Institute</p> <ul style="list-style-type: none"> Developed and evaluated a photovoice program for low-income, urban youth in Baltimore City to explore and describe their community food environment through photovoice Role: Co-Principal Investigator

Teaching Experience

- Jan 2016-August 2022 Instructor, University of Tennessee, Knoxville
Role: Course design, instruction and assessment
Nutrition Interventions in the Community, NTR 505 (enrollment 9 students)
Public Health Nutrition Management, NTR 506 (enrollment 10, 9 students)
Public Health Nutrition: Assessment, Intervention, and Evaluation, NTR 524 (enrollment 6, 12 students)
Diet and Physical Activity Assessment, NTR 421 (enrollment 32, 29, 23, 24 students)
Public Health Nutrition Systems, Programs and Services, NUTR 624 (enrollment 5 students)
Special Topics: COVID-19 Pandemic and the US Food System, NUTR 549 (enrollment 11 students)
Food and Nutrition in the Community, NUTR 412 (enrollment 33 students)
Food and Nutrition in the Community Practicum, NUTR 413S (enrollment 23 students)
Lifespan Nutrition, NUTR 302 (enrollment 59 students)
- Jan 2014-Aug 2014 Instructor, Johns Hopkins University, Intersession Programs
Role: Course design, instruction and assessment
Whole Food Versus Junk Food: A Case Study of Baltimore's Nutrition Environment, AS.280.205.31 (enrollment 25, 18 students)
- Jan 2014- April 2014 Instructor, Anne Arundel Community College
Role: Course design, instruction and assessment
Weight Management: Utilizing Healthy Approaches to Diet and Physical Activity BIO/HEA 137 (enrollment 8 students)

Federal and Non-Federal Review Service

2022	Reviewer, USDA ERS and RWJF Food and Health Research Using the Consumer Food Data System (CFDS) grants
2022	Reviewer, USDA NIFA Community Food Project grants
2022-Present	Reviewer, Society of Nutrition Education and Behavior (SNEB) Abstracts
2019-Present	Reviewer, Association of State Public Health Nutritionists (ASPHN) Abstracts
2019-Present	Reviewer, American Public Health Association (APHA) Abstracts, Food and Nutrition Section
2018	Reviewer, USDA Behavioral Economics and Food Choice Research (BECR) grant

Honors & Awards

Honors and Awards

2021	National WIC Association, Leadership Award for Excellence in WIC Research and Evaluation
2019	University of Tennessee, Mary Helen Byers Award for Innovative Teaching in the Nutrition Department
2018	Tennessee Academy of Nutrition and Dietetics, Outstanding Dietetics Educator of the Year
2018	Knoxville Academy of Nutrition and Dietetics, Outstanding Dietetics Educator of the Year
2017-2019	National Institutes of Health, National Institute of Minority Health and Health Disparities, Loan Repayment Program Recipient
2016	Phi Beta Kappa Honor Society
2016	Academy of Nutrition and Dietetics Weight Management Practice Group, Excellence in Weight Management for the Emerging Researcher Outcomes Research Award
2015	Johns Hopkins Bloomberg School of Public Health, Kruse Family Foundation Publication Award
2013	Johns Hopkins Bloomberg School of Public Health, Harry D. Kruse Fellowship in Nutrition Award
2013	Johns Hopkins Global Obesity Prevention Center, Young Investigator Travel Award
2012-2015	Johns Hopkins Bloomberg School of Public Health, Center for Human Nutrition Student Travel Award
2012	Academy of Nutrition and Dietetics Foundation, Doctoral Scholarship
2011	Knoxville District Dietetic Association, Recognized Young Dietitian Award
2006	University of Tennessee, College of Education, Health, and Human Sciences: Jane R. Savage Scholarship
