

## **ISBNPA Promotional Toolkit**

Help us share about the premier international conference on public health, nutrition and physical activity!

### **Email copy to send your list:**

Don't miss the opportunity to rub elbows with the top experts, professionals and students at the 2024 International Society of Behavioral Nutrition and Physical Activity (ISBNPA) conference in Omaha, Nebraska. The annual meeting attracts thousands of presenters, attendees and keynote speakers from all over the world to lead thoughtful discussions and workshops that influence policies and practices in their country and internationally.

Hosted in the Midwest, Omaha is a dynamic city steeped in culture and tradition. With miles of riverfront trails, a world-class botanical garden and culinary experiences that rival major metropolitan cities. Enjoy hiking trails, walkable neighborhoods and historical sites that offer something for everyone.

Early bird registration through April 8. Save your spot by clicking here:
